

The Downtown Collector series Christmas tree ornaments capture the color, style and charm of main street America. Its hotel, theater and shops typify an early-to-mid 20th century American town.

The Victorian House Collector series has the detail and color of turn-of-the-century Victorian cottages with front porches, staircases and bay windows.

These ornaments are fully assembled and ready to pop up and enjoy. All of them will hang beautifully on your Christmas tree or display them as free-standing paper sculpture. They range in size from 3.5" to over 5" tall.
